CLAIM FORM FOR SMALL BUSINESS USERS

In re: Yahoo! Inc. Customer Data Security Breach Litigation

SMALL BUSINESS USERS SHOULD USE THIS FORM TO MAKE A CLAIM FOR REIMBURSEMENT OF CERTAIN SMALL BUSINESS EMAIL FEES, CLAIM FOR CREDIT MONITORING SERVICES OR ALTERNATIVE COMPENSATION, AND CLAIM FOR OUT-OF-POCKET COSTS

THE DEADLINE TO SUBMIT THIS CLAIM FORM IS: JULY 20, 2020

I. GENERAL INSTRUCTIONS

If you had a Yahoo Small Business User account between January 1, 2012, and December 31, 2016—meaning you paid Yahoo or Aabaco for small business email services during that time—you are a Small Business User Settlement Class Member. Small Business User Settlement Class Members are entitled to request reimbursement of certain Small Business email services fees incurred during the Class Period. If you received an emailed notice from the Settlement Administrator about this class action settlement addressed to you, then the Settlement Administrator has already determined that you are a Settlement Class Member but you must file a claim in order to receive compensation from the Settlement. To learn more about the Settlement or how to determine whether you are Settlement Class Member (if you did not receive emailed notice), go to **www.YahooDataBreachSettlement.com**.

If you are a Small Business User Settlement Class Member, you are entitled to receive up to 25% of the amounts you paid per year for Small Business email services paid for between January 1, 2012 and December 31, 2016, up to a cap of \$500 per year. The Settlement consists of a fund of \$117.5 million to pay all valid Claims of all Settlement Class Members—including claims for Out-of-Pocket Costs, and for fees paid by Paid Users, and Small Business Users. The Settlement Fund will also be used to pay for Credit Monitoring Services or Alternative Compensation (for those who already have credit monitoring); the costs of class notice and settlement administration; and court-approved Class Representative Service Awards and attorneys' fees, costs, and expenses. To the extent all such amounts exceed \$117.5 million, then the amount of each claim for Alternative Compensation, Out-of-Pocket Costs, and for fees paid by Paid Users and Small Business Users will be reduced proportionally (by a percentage) until the total payments exhaust the Settlement Fund.

The Settlement Administrator has the sole authority to determine the validity of claims for Small Business User fees. Only valid claims will be paid. The Settlement Administrator will validate your claim against information provided by Yahoo regarding Small Business Users. Small Business User Claims are subject to verification and potential submission of documentation. **The deadline to file a Small Business User Claim is July 20, 2020.**

If you are a Settlement Class Member, you may also submit claims for (1) two years of Credit Monitoring Services at no cost to you, or Alternative Compensation if you already have credit monitoring, by completing the Credit Monitoring Services or Alternative Compensation, Section IV and (2) Out-of-Pocket Costs you incurred as result of the Data Breaches by completing the Out-of-Pocket Costs, Sections VI and VII, of this form or online at www.YahooDataBreachSettlement.com. Credit Monitoring Services are, however, only available to the underlying individual owner(s) of the business. Fraud Resolution services will be available for the small businesses themselves.

In order for your Small Business User Claim to be considered, you must fully complete this Small Business User Claim Form. You can complete and submit this Claim Form online at www.YahooDataBreachSettlement.com.

Or, type or legibly print all information in blue or black ink, answering all questions below, and submit the completed Claim Form, including any documentation that may be required, to the Settlement Administrator by U.S. mail, postmarked on or before July 20, 2020, at the following address:

IV: CREDIT MONITORING SERVICES OR ALTERNATIVE CASH PAYMENT

You may make a claim for a minimum of two years of Credit Monitoring Services at no cost to you by filling out this Section. Credit Monitoring Services are designed to help protect you from possible unlawful use of your personal information that was potentially compromised as a result of the Yahoo Data Breaches. Credit Monitoring Services will provide you with alerts if someone is unlawfully using your personal information, and other valuable identity protection services. Credit Monitoring Services will only be provided once per person, rather than once per account.

Credit Monitoring Services are, however, only available to the underlying individual owner(s) of the business. Fraud Resolution services will be available for the small businesses themselves.

If you can verify that you already have credit monitoring or identity protection services that you will keep for at least 12 months, you may instead make a claim for a cash payment in an amount of \$100, although that amount may be less or up to \$358.80, depending on how many claims are submitted.

3103300000000

ALTERNATIVE COMPENSATION CLAIMS MAY REQUIRE VERIFICATION AND DOCUMENTATION.

To obtain Credit Monitoring Services or Alternative Compensation from the Settlement, you must select **ONE AND ONLY ONE** of the options below.

- Option 1 (Credit Monitoring Services):** I wish to receive Credit Monitoring/Fraud Resolution Services. I understand Credit Monitoring Services will be provided for a minimum of two years, starting from when I activate the services. I understand I will receive an activation code and instructions on how to enroll in the Credit Monitoring Services from the Settlement Administrator later. Instructions will be sent by email unless I did not provide an email address, in which case instructions will be sent by U.S. mail.
- Option 2 (Alternative Compensation):** I wish to receive Alternative Compensation. I understand that this payment will be \$100, but may be lower, or may be up to \$358.80 depending on participation in the Settlement. I hereby CERTIFY that (all must be checked if you wish to receive Alternative Compensation):

- I have some form of credit monitoring or identity protection as of today.
- I signed up for credit monitoring or identity protection on this date: ___ / ___ / ___
- The name of my credit monitoring or identity protection company is: _____
- I will keep my credit monitoring or identity protection services active until at least ___ / ___ / ___ (this date must be at least 12 months from the date this form is submitted).
- I affirmatively give up my right to claim the credit monitoring services available under Option 1.

V. OUT-OF-POCKET COSTS GENERAL INSTRUCTIONS

If you believe you spent money or lost time or money related to the Data Breaches, then you may make a claim for reimbursement. Out-of-Pocket Costs incurred from January 1, 2012 to the present which may be eligible for reimbursements include, but are not limited to:

- **The costs of credit monitoring or identity protection services you obtained (up to the date on which Credit Monitoring Services become available through this Settlement).**
- **Unreimbursed losses, fees, or charges incurred as a result of identity fraud or theft connected with the possible misuse of your name, email address, telephone number, birth date, password, and security questions at Yahoo, or from contents of your email account, such as financial communications and records containing credit cards, retail accounts, banking, account passwords, IRS documents, and social security numbers from transactions conducted by email (“Personal Information”).**
- **Professional fees and other costs incurred addressing identity fraud or theft, including falsified tax returns or other identity fraud or theft, connected with the possible misuse of your Personal Information.**
- **Costs associated with credit freezes.**

3103300000000

- **Miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance charges that you show were incurred in connection with identity fraud or theft connected with the possible misuse of your Personal Information.**
- **If you can adequately document identity fraud or theft connected with the possible misuse of your Personal Information you may be eligible for reimbursement of up to fifteen hours of time spent remedying issues related to one or more of the Data Breaches (calculated at \$25 per hour, or time off work at your documented hourly wage, whichever is greater), or, if you cannot provide documentation, up to five hours of time spent remedying issues related to one or more of the Data Breaches, at \$25 per hour, or time off work at your documented hourly wage, whichever is greater.**

This list provides examples only, and other costs due to one or more of the Data Breaches may also be eligible for reimbursement. However, YOU MUST BE ABLE TO DOCUMENT YOUR CLAIM.

The Settlement Administrator has the sole authority to determine the validity of claims for Out-of-Pocket Costs. Only valid claims will be paid. To the extent only portions of the claim can be adequately documented and validated, only those portions will be paid. To the extent the amounts required to fund valid claims exceed the amount of the Settlement Fund, the cash payments for the valid claims will be reduced on a *pro rata* basis.
